What You Should Know about CIGNA Choice Fund® — Health Savings Account............60
Important Information

THIS IS NOT AN INSURED BENEFIT PLAN. THE BENEFITS DESCRIBED IN THIS BOOKLET OR ANY RIDER ATTACHED HERETO ARE SELF-INSURED BY UNIVERSITY CORPORATION FOR ATMOSPHERIC RESEARCH WHICH IS RESPONSIBLE FOR THEIR PAYMENT. CIGNA HEALTH AND LIFE INSURANCE COMPANY (CIGNA) PROVIDES CLAIM ADMINISTRATION SERVICES TO THE PLAN, BUT CIGNA DOES NOT INSURE THE BENEFITS DESCRIBED.

THIS DOCUMENT MAY USE WORDS THAT DESCRIBE A PLAN INSURED BY CIGNA. BECAUSE THE PLAN IS NOT INSURED BY CIGNA, ALL REFERENCES TO INSURANCE SHALL BE READ TO INDICATE THAT THE PLAN IS SELF-INSURED. FOR EXAMPLE, REFERENCES TO "CIGNA," "INSURANCE COMPANY," AND "POLICYHOLDER" SHALL BE DEEMED TO MEAN YOUR "EMPLOYER" AND "POLICY" TO MEAN "PLAN" AND "INSURED" TO MEAN "COVERED" AND "INSURANCE" SHALL BE DEEMED TO MEAN "COVERAGE."
Explanation of Terms
You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

The Schedule
The Schedule is a brief outline of your maximum benefits which may be payable under your insurance. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.
Special Plan Provisions
When you select a Participating Provider, this Plan pays a greater share of the costs than if you select a non-Participating Provider. Participating Providers include Physicians, Hospitals and Other Health Care Professionals and Other Health Care Facilities. Consult your Physician Guide for a list of Participating Providers in your area. Participating Providers are committed to providing you and your Dependents appropriate care while lowering medical costs.

Services Available in Conjunction With Your Medical Plan
The following pages describe helpful services available in conjunction with your medical plan. You can access these services by calling the toll-free number shown on the back of your ID card.

Case Management
Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your Dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

• You, your dependent or an attending Physician can request Case Management services by calling the toll-free number shown on your ID card during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.

• The Review Organization assesses each case to determine whether Case Management is appropriate.

• You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.

• Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.

• The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).

• The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).

• Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Additional Programs
We may, from time to time, offer or arrange for various entities to offer discounts, benefits, or other consideration to our members for the purpose of promoting the general health and well being of our members. We may also arrange for the reimbursement of all or a portion of the cost of services.
provided by other parties to the Policyholder. Contact us for details regarding any such arrangements.

Important Notices

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.mycigna.com or contact customer service at the phone number listed on the back of your ID card.

Selection of a Primary Care Provider

This plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.mycigna.com or contact customer service at the phone number listed on the back of your ID card.

For children, you may designate a pediatrician as the primary care provider.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA’S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.
- YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

Timely Filing of Out-of-Network Claims

CIGNA will consider claims for coverage under our plans when proof of loss (a claim) is submitted within 180 days for Out-of-Network benefits after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within 180 days for Out-of-Network benefits, the claim will not be considered valid and will be denied.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

- the day you become eligible for yourself; or

**Important Information About Your Medical Plan**

Details of your medical benefits are described on the following pages.

**Opportunity to Select a Primary Care Physician**

**Choice of Primary Care Physician**

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by CIGNA for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents.

**Changing Primary Care Physicians**

You may request a transfer from one Primary Care Physician to another by contacting us at the member services number on your ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.
In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.
Open Access Plus Medical Benefits

The Schedule

For You and Your Dependents
Open Access Plus Medical Benefits provide coverage for care In-Network and Out-of-Network. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Deductible or Coinsurance.

If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your I.D. card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

Coinsurance
The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan.

Deductibles
Deductibles are also expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.

Out-of-Pocket Expenses
Out-of-Pocket Expenses are Covered Expenses incurred for In-Network and Out-of-Network charges that are not paid by the benefit plan because of any:

- Coinsurance.
- Plan deductibles.

Charges will not accumulate toward the Out-of-Pocket Maximum for Covered Expenses incurred for:

- non-compliance penalties.
- provider charges in excess of the Maximum Reimbursable Charge.

When the Out-of-Pocket Maximum shown in The Schedule is reached, Injury and Sickness benefits are payable at 100% except for:

- non-compliance penalties.
- provider charges in excess of the Maximum Reimbursable Charge.

Accumulation of Plan Deductibles and Out-of-Pocket Maximums
Deductibles and Out-of-Pocket Maximums will cross-accumulate (that is, In-Network will accumulate to Out-of-Network and Out-of-Network will accumulate to In-Network). All other plan maximums and service-specific maximums (dollar and occurrence) also cross-accumulate between In- and Out-of-Network unless otherwise noted.

Contract Year
Contract Year means a twelve month period beginning on each 01/01.

Multiple Surgical Reduction
Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.
Open Access Plus Medical Benefits

The Schedule

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon
The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed 20 percent of the surgeon’s allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts).

Co-Surgeon
The maximum amount payable will be limited to 62.5 percent of the surgeon’s allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeons prior to any reductions due to coinsurance or deductible amounts.)

Open Access Plus Medical Benefits

Certification Requirements - Out-of-Network
For You and Your Dependents

Pre-Admission Certification/Continued Stay Review for Hospital Confinement

Pre-Admission Certification (PAC) and Continued Stay Review (CSR) refer to the process used to certify the Medical Necessity and length of a Hospital Confinement when you or your Dependent require treatment in a Hospital:

- as a registered bed patient;
- for a Partial Hospitalization for the treatment of Mental Health or Substance Abuse;
- for Mental Health or Substance Abuse Residential Treatment Services.

You or your Dependent should request PAC prior to any non-emergency treatment in a Hospital described above. In the case of an emergency admission, you should contact the Review Organization within 48 hours after the admission. For an admission due to pregnancy, you should call the Review Organization by the end of the third month of pregnancy. CSR should be requested, prior to the end of the certified length of stay, for continued Hospital Confinement.

Covered Expenses incurred will be reduced by 50% for Hospital charges made for each separate admission to the Hospital unless PAC is received: prior to the date of admission; or in the case of an emergency admission, within 48 hours after the date of admission.

Covered Expenses incurred will not include expenses incurred for charges made for any day in excess of the number of days certified through PAC or CSR; and

- any Hospital charges for treatment listed above for which PAC was requested, but which was not certified as Medically Necessary.

PAC and CSR are performed through a utilization review program by a Review Organization with which CIGNA has contracted.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Certification Requirements – Out-of-Network

Outpatient Certification refers to the process used to certify the Medical Necessity of outpatient diagnostic testing and outpatient procedures, including, but not limited to, those listed in this section when performed as an outpatient in a Free-standing Surgical Facility, Other Health Care Facility or a Physician's office. You or your Dependent should call the toll-free number on the back of your I.D. card to determine if Outpatient Certification is required prior to any outpatient diagnostic testing or procedures. Outpatient Certification is performed through a utilization review program by a Review Organization with which CIGNA has contracted. Outpatient Certification should only be requested for nonemergency procedures or services, and should be requested by you or your Dependent at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

Covered Expenses incurred will be reduced by 50% for charges made for any outpatient diagnostic testing or procedure performed unless Outpatient Certification is received prior to the date the testing or procedure is performed.

Covered Expenses incurred will not include expenses incurred for charges made for outpatient diagnostic testing or procedures for which Outpatient Certification was performed, but, which was not certified as Medically Necessary.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

**Plan**

Any of the following that provides benefits or services for medical care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

**Closed Panel Plan**

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

**Primary Plan**

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

**Secondary Plan**

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

**Allowable Expense**

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

**Claim Determination Period**

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

**Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

**Order of Benefit Determination Rules**

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan...
which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;

- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
  - then, the Plan of the parent with custody of the child;
  - then, the Plan of the spouse of the parent with custody of the child;
  - then, the Plan of the parent not having custody of the child, and
  - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan
If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. CIGNA will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, CIGNA will determine the following:
- CIGNA's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, CIGNA will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits
If CIGNA pays charges for benefits that should have been paid by the Primary Plan, or if CIGNA pays charges in excess of those for which we are obligated to provide under the Policy, CIGNA will have the right to recover the actual payment made or the Reasonable Cash Value of any services. CIGNA will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information
CIGNA, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.
Medicare Eligibles

CIGNA will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

(a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;

(b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;

(c) an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Employee is eligible for Medicare due to disability;

(d) the Dependent of an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Dependent is eligible for Medicare due to disability;

(e) an Employee or a Dependent of an Employee of an Employer who has fewer than 20 Employees, if that person is eligible for Medicare due to age;

(f) an Employee, retired Employee, Employee's Dependent or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months;

CIGNA will assume the amount payable under:

• Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.

• Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.

• Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Employee and his Dependent or any former Employee and his Dependent unless he is listed under (a) through (f) above.

Domestic Partners

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age. Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and CIGNA is the Secondary Plan. However, when Medicare coverage is due to disability, the Medicare Secondary Payer rules explained above will apply.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

• Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.

• Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Subrogation/Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above:

• Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan’s subrogation rights.

• Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Lien of the Plan

By accepting benefits under this plan, a Participant:

• grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any other person.
insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;

• agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;

• agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

• No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan’s right to recover shall apply to decedents’, minors’, and incompetent or disabled persons’ settlements or recoveries.

• No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.

• The plan’s right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called “Made-Whole Doctrine”, “Rimes Doctrine”, or any other such doctrine purporting to defeat the plan’s recovery rights by allocating the proceeds exclusively to non-medical expense damages.

• No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan’s rights hereunder, specifically; no court costs, attorneys’ fees or other representatives' fees may be deducted from the plan’s recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called “Fund Doctrine”, “Common Fund Doctrine”, or “Attorney’s Fund Doctrine”.

• The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.

• In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney’s fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.

• Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the Plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

Payment of Benefits

To Whom Payable

Medical Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient’s payment on the charge, it is the provider’s responsibility to reimburse the patient. Because of CIGNA’s contracts with providers, all claims from contracted providers should be assigned.

CIGNA may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of CIGNA is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, CIGNA may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, CIGNA may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release CIGNA from all liability to the extent of any payment made.
Recovery of Overpayment
When an overpayment has been made by CIGNA, CIGNA
will have the right at any time to: recover that overpayment
from the person to whom or on whose behalf it was made; or
offset the amount of that overpayment from a future claim
payment.

Calculation of Covered Expenses
CIGNA, in its discretion, will calculate Covered Expenses
following evaluation and validation of all provider billings in
accordance with:
• the methodologies in the most recent edition of the Current
Procedural terminology,
• the methodologies as reported by generally recognized
professionals or publications.

Termination of Insurance
Employees
Your insurance will cease on the earliest date below:
• the date you cease to be in a Class of Eligible Employees or
cease to qualify for the insurance.
• the last day for which you have made any required
contribution for the insurance.
• the date the policy is canceled.
• the last day of the calendar month in which your Active
Service ends except as described below.
Any continuation of insurance must be based on a plan which
precludes individual selection.

Temporary Layoff or Leave of Absence
If your Active Service ends due to temporary layoff or leave
of absence, your insurance will be continued until the date
your Employer cancels your insurance. However, your
insurance will not be continued for more than 60 days past the
date your Active Service ends.

Injury or Sickness
If your Active Service ends due to an Injury or Sickness, your
insurance will be continued while you remain totally and
continuously disabled as a result of the Injury or Sickness.
However, your insurance will not continue past the date your
Employer cancels your insurance.

Retirement
If your Active Service ends because you retire and you are
under age 65, your insurance will be continued until the earlier
do: a) the date on which your Employer stops paying premium
for you or otherwise cancels the insurance; or b) your 65th
birthday.

Dependents
Your insurance for all of your Dependents will cease on the
earliest date below:
• the date your insurance ceases.
• the date you cease to be eligible for Dependent Insurance.
• the last day for which you have made any required
contribution for the insurance.
• the date Dependent Insurance is canceled.
The insurance for any one of your Dependents will cease on
the date that Dependent no longer qualifies as a Dependent.

Rescissions
Your coverage may not be rescinded (retroactively terminated)
by CIGNA or the plan sponsor unless the plan sponsor or an
individual (or a person seeking coverage on behalf of the
individual) performs an act, practice or omission that
constitutes fraud; or the plan sponsor or individual (or a
person seeking coverage on behalf of the individual) makes an
intentional misrepresentation of material fact.

Federal Requirements
The following pages explain your rights and responsibilities
under federal laws and regulations. Some states may have
similar requirements. If a similar provision appears elsewhere
in this booklet, the provision which provides the better benefit
will apply.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage. Dependent children who were already Dependents of the Employee but not currently enrolled in the Plan are not entitled to special enrollment.

- **Loss of eligibility for State Medicaid or Children’s Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled.
in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.

- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
  - divorce or legal separation;
  - cessation of Dependent status (such as reaching the limiting age);
  - death of the Employee;
  - termination of employment;
  - reduction in work hours to below the minimum required for eligibility;
  - you or your Dependent(s) no longer reside, live or work in the other plan’s network service area and no other coverage is available under the other plan;
  - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
  - the other plan no longer offers any benefits to a class of similarly situated individuals.

- **Termination of employer contributions (excluding continuation coverage).** If a current or former employer ceases all contributions toward the Employee’s or Dependent’s other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).

- **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: due to failure of the employer or other responsible entity to remit premiums on a timely basis; when the person no longer resides or works in the other plan’s service area and there is no other COBRA or continuation coverage available under the plan; or when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer’s limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.

- **Eligibility for employment assistance under State Medicaid or Children’s Health Insurance Program (CHIP).** If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective on the first day of the calendar month following receipt of the request for special enrollment.

Individuals who enroll in the Plan due to a special enrollment event will not be considered Late Entrants. Any Pre-existing Condition limitation will be applied upon enrollment, reduced by prior Creditable Coverage, but will not be extended as for a Late Entrant.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

**Coverage of Students on Medically Necessary Leave of Absence**

(Applies to Students Age 26 or Over When Covered Under This Plan)

If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.) Coverage will terminate on the earlier of:

- The date that is one year after the first day of the medically necessary leave of absence; or
- The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a...
student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

A “medically necessary leave of absence” is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that: starts while the child is suffering from a serious illness or condition; is medically necessary; and causes the child to lose student status under the terms of the plan.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the Special Enrollment criteria described above; or
- the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer’s Plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Special Enrollment, Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.
If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Coverage for Maternity Hospital Stay
Group health plans and health insurance issuers offering group health insurance coverage generally may not, under a federal law known as the “Newborns’ and Mothers’ Health Protection Act”: restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section; or require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of the above periods. The law generally does not prohibit an attending provider of the mother or newborn, in consultation with the mother, from discharging the mother or newborn earlier than 48 or 96 hours, as applicable.

Please review this Plan for further details on the specific coverage available to you and your Dependents.

Women’s Health and Cancer Rights Act (WHCRA)
Do you know that your plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call Member Services at the toll free number listed on your ID card for more information.

Group Plan Coverage Instead of Medicaid
If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Obtaining a Certificate of Creditable Coverage Under This Plan
Upon loss of coverage under this Plan, a Certificate of Creditable Coverage will be mailed to each terminating individual at the last address on file. You or your dependent may also request a Certificate of Creditable Coverage, without charge, at any time while enrolled in the Plan and for 24 months following termination of coverage. You may need this document as evidence of your prior coverage to reduce any pre-existing condition limitation period under another plan, to help you get special enrollment in another plan, or to obtain certain types of individual health coverage even if you have health problems. To obtain a Certificate of Creditable Coverage, contact the Plan Administrator or call the toll-free customer service number on the back of your ID card.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)
Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave
Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave
Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.
You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

**Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)**

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

**Continuation of Coverage**

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

- You may continue benefits by paying the required premium to your Employer, until the earliest of the following:
  - 24 months from the last day of employment with the Employer;
  - the day after you fail to return to work; and
  - the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

**Reinstatement of Benefits (applicable to all coverages)**

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

**Claim Determination Procedures Under ERISA**

The following complies with federal law. Provisions of the laws of your state may supersede.

**Procedures Regarding Medical Necessity Determinations**

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a preservice, concurrent, or postservice basis, as described below:

- Certain services require prior authorization in order to be covered. This prior authorization is called a “preservice medical necessity determination.” The Certificate describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider’s network participation documents as applicable.
- When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider’s network participation documents, and in the determination notices.

**Preservice Medical Necessity Determinations**

When you or your representative request a required Medical Necessity determination prior to care, CIGNA will notify you or your representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond CIGNA’s control, CIGNA will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt.
of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to CIGNA within 45 days after receiving the notice. The determination period will be suspended on the date CIGNA sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice. If the determination periods above would seriously jeopardize your life or health, your ability to regain maximum function, or in the opinion of a Physician with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, CIGNA will make the preservice determination on an expedited basis. CIGNA’s Physician reviewer, in consultation with the treating Physician, will decide if an expedited determination is necessary. CIGNA will notify you or your representative of an expedited determination within 72 hours after receiving the request. However, if necessary information is missing from the request, CIGNA will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to CIGNA within 48 hours after receiving the notice. CIGNA will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification. If you or your representative fails to follow CIGNA’s procedures for requesting a required preservice medical necessity determination, CIGNA will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification. Concurrent Medical Necessity Determinations
When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, CIGNA will notify you or your representative of the determination within 24 hours after receiving the request.

Postservice Medical Necessity Determinations
When you or your representative requests a Medical Necessity determination after services have been rendered, CIGNA will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CIGNA’s control CIGNA will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to CIGNA within 45 days after receiving the notice. The determination period will be suspended on the date CIGNA sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Postservice Claim Determinations
When you or your representative requests payment for services which have been rendered, CIGNA will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CIGNA’s control, CIGNA will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date CIGNA sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

Notice of Adverse Determination
Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: information sufficient to identify the claim; the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan’s review procedures and the time limits applicable, including a statement of a claimant’s rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based
on a Medical Necessity, experimental treatment or other similar exclusion or limit; information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Medical - When You Have a Complaint or an Appeal

For the purposes of this section, any reference to “you,” “your,” or “Member” also refers to a representative or provider.

“Physician Reviewers” are licensed Physicians depending on the care, service or treatment under review.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, contractual benefits, or a rescission of coverage, you may call the toll-free number on your Benefit Identification card, explanation of benefits, or claim form and explain your concern to one of our Member Services representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Appeals Procedure

CIGNA has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing to CIGNA within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask CIGNA to register your appeal by telephone. Call us at the toll-free number on your Benefit Identification card, explanation of benefits, or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination, and within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay.

If you request that your appeal be expedited based on (a) above, you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited level-one appeal would be detrimental to your medical condition.

CIGNA’s Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To initiate a level-two appeal, follow the same process required for a level-one appeal.

Requests for a level-two appeal regarding the medical necessity or clinical appropriateness of your issue will be conducted by a Committee, which consists of one or more people not previously involved in the prior decision. The Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by CIGNA’s Physician reviewer. You may present your situation to the Committee in person or by conference call.

For required preservice and concurrent care coverage determinations the Committee review will be completed within 15 calendar days and for post service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review.

In the event any new or additional information (evidence) is considered, relied upon or generated by CIGNA in connection with the level-two appeal, CIGNA will provide this information to you as soon as possible and sufficiently in
advance of the Committee’s decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by CIGNA, CIGNA will provide the rationale to you as soon as possible and sufficiently in advance of the Committee’s decision so that you will have an opportunity to respond.

You will be notified in writing of the Committee’s decision within 5 business days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician, would cause you severe pain which cannot be managed without the requested services; or your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CIGNA’s Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

**Independent Review Procedure**

If you are not fully satisfied with the decision of CIGNA’s level-two appeal review you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by CIGNA HealthCare, or any of its affiliates. A decision to request an appeal to an Independent Review Organization will not affect the claimant’s rights to any other benefits under the plan.

There is no charge for you to initiate this Independent Review Process. CIGNA will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, the reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by CIGNA. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of CIGNA’s level-two appeal review denial. CIGNA will then forward the file to the Independent Review Organization. The Independent Review Organization will render an opinion within 45 days.

When requested, and if a delay would be detrimental to your medical condition, as determined by CIGNA’s Physician reviewer, or if your appeal concerns an admission, availability of care, continued stay, or health care item or service for which you received emergency services, but you have not yet been discharged from a facility, the review shall be completed within 72 hours.

**Notice of Benefit Determination on Appeal**

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: information sufficient to identify the claim; the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; a statement describing any voluntary appeal procedures offered by the plan and the claimant’s right to bring an action under ERISA section 502(a); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and information about any office of health insurance consumer assistance or ombudsman available to assist you in the appeal process. A final notice of an adverse determination will include a discussion of the decision.

**Relevant Information**

Relevant information is any document, record or other information which: was relied upon in making the benefit determination; was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant’s diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

**Legal Action**

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against CIGNA until you have completed the Level-One and Level-Two appeal processes. If your appeal is expedited, there is no need to complete the Level-Two process prior to bringing legal action.
COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?
Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?
For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?
Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates.

sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events
If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension
If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 36 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents
When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in
Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

**Termination of COBRA Continuation**

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

**Moving Out of Employer’s Service Area or Elimination of a Service Area**

If you and/or your Dependents move out of the Employer’s service area or the Employer eliminates a service area in your location, your COBRA continuation coverage under the plan will be limited to out-of-network coverage only. In-network coverage is not available outside of the Employer’s service area. If the Employer offers another benefit option through CIGNA or another carrier which can provide coverage in your location, you may elect COBRA continuation coverage under that option.

**Employer’s Notification Requirements**

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

**How to Elect COBRA Continuation Coverage**

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

**How Much Does COBRA Continuation Coverage Cost?**

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including
both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

**When and How to Pay COBRA Premiums**

**First payment for COBRA continuation**

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

**Subsequent payments**

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

**Grace periods for subsequent payments**

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

**You Must Give Notice of Certain Qualifying Events**

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

**Newly Acquired Dependents**

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

**COBRA Continuation for Retirees Following Employer’s Bankruptcy**

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.
Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact/2002act_index.cfm.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority

The Plan Administrator delegates to CIGNA the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to CIGNA the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it.
The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated, is contained in the Employer’s Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan. Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent’s total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan’s insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section);
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.

- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.
In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

**Assistance with Your Questions**

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Definitions**

**Active Service**

You will be considered in Active Service:

- on any of your Employer's scheduled work days if you are performing the regular duties of your work on that day either at your Employer's place of business or at some location to which you are required to travel for your Employer's business.

- on a day which is not one of your Employer's scheduled work days if you were in Active Service on the preceding scheduled work day.

**Bed and Board**

The term Bed and Board includes all charges made by a Hospital on its own behalf for room and meals and for all general services and activities needed for the care of registered bed patients.

**Charges**

The term "charges" means the actual billed charges; except when the provider has contracted directly or indirectly with CIGNA for a different amount.

**Custodial Services**

Any services that are of a sheltering, protective, or safeguarding nature. Such services may include a stay in an institutional setting, at-home care, or nursing services to care for someone because of age or mental or physical condition. This service primarily helps the person in daily living. Custodial care also can provide medical services, given mainly to maintain the person’s current state of health. These services cannot be intended to greatly improve a medical condition; they are intended to provide care while the patient cannot care for himself or herself. Custodial Services include but are not limited to:

- Services related to watching or protecting a person;

- Services related to performing or assisting a person in performing any activities of daily living, such as: walking, grooming, bathing, dressing, getting in or out of bed, toileting, eating, preparing foods, or taking medications that can be self administered, and

- Services not required to be performed by trained or skilled medical or paramedical personnel.

**Dependent**

Dependents are:

- your lawful spouse; or

- your Domestic Partner; and

- any child of yours who is:
  - less than 26 years old.
  - 26 or more years old, unmarried, and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while
the child was covered as a Dependent under this Plan, or while covered as a dependent under a prior plan with no break in coverage.

Proof of the child's condition and dependence must be submitted to CIGNA within 31 days after the date the child ceases to qualify above. From time to time, but not more frequently than once a year, CIGNA may require proof of the continuation of such condition and dependence.

The term child means a child born to you or a child legally adopted by you. It also includes a stepchild. If your Domestic Partner has a child, that child will also be included as a Dependent.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Anyone who is eligible as an Employee will not be considered as a Dependent.

No one may be considered as a Dependent of more than one Employee.

In addition, you and your Domestic Partner will be considered to have met the terms of this definition as long as neither you nor your Domestic Partner:

- has signed a Domestic Partner affidavit or declaration with any other person within twelve months prior to designating each other as Domestic Partners hereunder;
- is currently legally married to another person; or
- has any other Domestic Partner, spouse or spouse equivalent of the same or opposite sex.

You and your Domestic Partner must have registered as Domestic Partners, if you reside in a state that provides for such registration.

The section of this certificate entitled "COBRA Continuation Rights Under Federal Law" will not apply to your Domestic Partner and his or her Dependents.

Domestic Partner

A Domestic Partner is defined as a person of the same sex who:

- shares your permanent residence;
- has resided with you for no less than one year;
- is no less than 18 years of age;
- is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements: common ownership of real property or a common leasehold interest in such property; community ownership of a motor vehicle; a joint bank account or a joint credit account; designation as a beneficiary for life insurance or retirement benefits or under your partner's will; assignment of a durable power of attorney or health care power of attorney; or such other proof as is considered by CIGNA to be sufficient to establish financial interdependency under the circumstances of your particular case;
- is not a blood relative any closer than would prohibit legal marriage; and
- has signed jointly with you, a notarized affidavit attesting to the above which can be made available to CIGNA upon request.

Emergency Medical Condition

Emergency medical condition means a medical condition which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; serious impairment to bodily functions; or serious dysfunction of any bodily organ or part.

Emergency Services

Emergency services means, with respect to an emergency medical condition, a medical screening examination that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate the emergency medical condition; and such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the hospital, to stabilize the patient.
Employee
The term Employee means a full-time or part time employee of the Employer who is currently in Active Service. The term does not include employees who are temporary or who normally work less than 8 hours a week for the Employer.

Employer

The Basics
Who is eligible?
You are eligible to open a Health Savings Account only if you are covered under a federally qualified high deductible health plan, such as the one described in this booklet. You cannot be covered by Medicare or any other individual or group health plan that is not a federally qualified high deductible health plan. You can no longer contribute to the HSA once you: become entitled to Medicare due to age; or are no longer covered under a high deductible health plan. However, you will still be able to use the HSA funds for qualified medical expenses.

How does it work?
The Health Savings Account combines a health care plan with a tax-free savings account.

1. You, your employer or both may contribute to your account. Contributions are tax-free up to federal limits.

2. You choose how to pay for qualified medical expenses:
   - You may pay for qualified expenses on your own using a debit card, checkbook or online bill pay that draws from your health savings account.
   - You may choose the Automatic Claim Forwarding option, allowing qualifying expenses to be paid directly to your doctor, hospital, or other facility from your HSA. You can change your election at any time during the year.
   - You may choose to cover your expenses using other personal funds. This allows you to save the money in your HSA for qualified medical expenses in future years or at retirement. The balance in your savings account will earn interest.

3. Once you meet your deductible, you and your plan share the costs. Depending on your plan, you pay pre-determined coinsurance or copayments for certain services. Your employer determines the maximum amount of out-of-pocket expenses you pay each year. Once you meet the maximum, the plan pays covered expenses at 100%.

Your HSA can be a tax-sheltered savings tool. Because your HSA rolls over year after year, and unused money accumulates tax-deferred interest, you have the option to pay for current qualified medical expenses out of your pocket and use the account to save for future qualified medical expenses.
Please note: Your HSA contributions are not taxable under federal and most state laws. However, your contributions to your HSA may be taxable as income in the following states: Alabama, California, New Hampshire, New Jersey and Wisconsin. If you live or work in one of these states, please consult your tax advisor.

Which services are covered by my CIGNA Choice Fund Health Savings Account?

Money in your HSA can be used only to cover qualified medical expenses for you and your dependents as allowed under federal tax law. In addition, your HSA may be used to cover COBRA continuation premiums, qualified long-term care insurance premiums, health plan premiums when you are receiving unemployment compensation, or Medicare or retiree health plan premiums (excluding Medicare Supplement or Medigap premiums) once you reach age 65. If you use your HSA funds for expenses that are not allowed under federal tax law, the contributions to your HSA fund and any accrued interest and earnings will be subject to tax, and you will incur a 20 percent tax penalty. The 20 percent penalty is not applicable once you reach age 65. A list of qualified medical expenses is available on CIGNA.com/expenses.

Which services are covered by my CIGNA medical plan, and which will I have to pay out of my own pocket?

Covered services vary depending on your plan, so visit myCIGNA.com or check your plan materials in this booklet for specific information. In addition to your monthly premiums deducted from your paycheck, you’ll be responsible for paying:

- Any health care services not covered by your plan.
- Costs for any services you receive until you meet your deductible, if you choose not to use your health savings account, or after you spend all the money in your account.
- Your share of the cost for your covered health care expenses (coinsurance or copayments) after you meet the deductible and your medical plan coverage begins.
